HB 1912 - SB 1887

February 10, 2022

SUMMARY OF BILL: Authorizes a local education agency (LEA) to provide up to 10 days of the required 180 days of classroom instruction through remote instruction under certain conditions. Establishes instructional requirements for LEAs when providing remote instruction.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tennessee Code Annotated § 49-6-3004 requires each public school system to complete 180 days of classroom instruction.
- The proposed legislation allows for districts to have up to 10 days of remote instruction without applying to the Commissioner for a waiver or using their stockpile days to cancel instruction completely.
- This legislation will not require any LEAs to use remote instruction.
- The extent and timing of any LEAs deciding to use remote instruction pursuant to this legislation is unknown. However, the local fiscal impact due to the use of remote instruction is estimated to be not significant.
